30 YEARS OF

BIRTHDAY

'Last year I sent birthday cards to anyone that asked for one. I told people about it on social media and a woman replied asking for a birthday card.

After I sent it, she emailed thanking me so much—she said she was in her late 80s, that mine was the only card she had received and it meant the world to her.

That's what it's all about.'

'It was a thrill to be able to be the inspiration for this set. I wanted to honour the memory of my mum, who passed away 11 years ago after a long battle with cancer. The sentiments and fonts were carefully selected so that this stamp set would be perfect for many other occasions, such as anniversaries, Valentine's Day or faith, not just as an encouragement card.'
